

455D.11G Waste tire disposal fees and abatement costs.

1. A retail tire dealer who currently charges a fee relating to disposal of used tires is encouraged to include the fee within the sales price of new tires. The practice by retail tire dealers of adding the fee as a separate charge on sales invoices is discouraged.

2. Notwithstanding any provision in this chapter, any generator of waste tires who is identified as being a contributor to the materials which are the object of an abatement and who can document full compliance with this chapter and administrative rules adopted pursuant to this chapter in disposing of such waste tires shall not be liable for any of the cost of recovery actions of the abatement.
